# REQUEST FOR ADDITIONAL SERVICES AND CHARGES

# 1. QUAYSIDE TENT:

The maximum size allowed for tent on the quay is 5X5 meters. In case the yacht should be moored on the Gare Maritime quay, the port staff will contact the agent to inform them about the need to install a tent of 4X4 meters. For any further information on the subject please check Part 3 QUAY-SIDE TENT: regulations.

# 2. TELEPHONE:

□ ANALOGIC

Number of lines:

Numéris - RNIS - ADSL (\*)

Number of lines:

(\*) for these lines, please contact France Télécom directly on +33 (0)1 55 56 10 00 or oes@orange.com before the event.

# 3.ELECTRICITY:

→ Voltage: □ 220 V □ 380 V

→ Amps: □ 63A □ 125A □ 250A

**IMPORTANT:** Please be precise about the number of amps requested. For each berth a 25 to 30 meters extension lead is necessary.

# 4. PARKING SPACE ON SOUTH ALBERT EDOUARD JETTY (\*):

□ YES, If yes, how many:\_\_\_\_

(\*): Event badges for the car park are not issued for MIPIM, CANNES FILM FESTIVAL, CANNES LIONS and TAX FREE.

5. CATERERS and OTHER REQUESTS: (please join layout map or any other useful documentation)

# 6. VEHICLES ACCESS ON THE JETTY:

For any vehicle needing to access the Albert Edouard jetty during MIPIM, FILM FESTIVAL, CANNES LIONS and TFWA (the jetty is pedestrian during these events) it is mandatory to fill out the access form and send it back to the port by e-mail (vpdc@igymarinas.com) at the latest 3 days before the beginning of the event. For some events, a badge identifying the vehicle will need to be picked up at the port office up to 2 days before the beginning of the event. The badge will allow the vehicle to access the jetty during delivery hours.

# 7. NOISESAND ONBOARD EVENTS:

Noises and music on yachts during events are allowed until 00:30AM at the latest. Any event organized aboard a yacht lasting after 8:00PM must be the subject of a request for authorization made on the website of the City of Cannes https://vosdemarches.cannes.com (section ESPACE PRO, choose AUTORISATION EVENEMENTIELLE).

# APPENDIX 3: TO BE KEPT BY APPLICANT REGULATIONS on signs and barriers (ships and quays)

This document defines the regulations concerning the display of signs and advertising, and any installations on the quay during events and trade fairs.

# For any events organized by RX:

Kindly contact the port office at the following email address <u>congres.cannes@igymarinas.com</u> to get the documents summarizing the regulation.

# **ON BOARD SHIP**

Banners must fit neatly into the distance between the gangway and the railings of the ship. No banner or other display may cover the name of the ship on the stern.

In addition:

Motor yachts: No display may project beyond the superstructure of the ship, except for inflatable modules.

#### **Exception: inflatable structures**

Projection beyond the superstructure: 1m maximum

If spherical: maximum diameter 1m50 If oblong ("dirigible")

- Max. length: 1m 80
- Max. diameter: 1m 20
- Sailing yachts: No display may be higher than the upper spreaders. Only one banner is permitted between the masts:
  - Max. length: 10m
  - Max. width: 0.80m Canvas banners must be especially designed to minimize wind resistance.

#### **Exception: inflatable structures**

Characteristics as for motor yachts above Maximum projection above upper spreaders: 1m maximum

For any other form of advertising which has not been listed in this document, a special request in writing must be made to the port authorities.

# **ON THE QUAY**

# ► <u>Barriers</u>:

Authorized model.

Case 1: <u>The whole of the Quai d'Honneur is being used</u>: a partial or complete barrier may be erected along the entire « edge of the quay » at a maximum depth of 2.50 m (Pantiero, Gare maritime Passenger Terminal, jetty Albert Edouard North) and 5.00 m on the Albert Edouard Jetty South and the Quai du Large.

Case 2: Part of the Quai d'Honneur is being used: A barrier may be installed by the group of participating yachts, according to the berthing plan approved by the Assignment Committee. This barrier must in no way impede (security measures or access) other ships not participating in the event.

# > Other installations:

For any other installations (stage, demonstration vehicles), a written request must be made to the port authorities.

No installation may be erected without written permission. Any contravention of this regulation will result in the removal of the installation concerned.

# PART 3

# APPENDIX 4: TO BE KEPT BY APPLICANT

# **QUAI D'HONNEUR REGULATIONS**

#### **1. REPAIRS AND OTHER WORK:**

It is forbidden, during an event, to carry out any repairs or other work on board ship, and particularly on the quay, which could disturb or endanger the public.

#### 2. MUSIC / NOISE:

You are reminded that, in accordance with the law, no music or other noise is allowed after 00:30am.

#### 3. GARBAGE COLLECTION:

In order to keep the quays spotlessly clean, a rubbish collection service has been organized as follows:

6am 11am 2pm 6pm

For the comfort of all port users, please respect this timetable and place all rubbish in the appropriate containers. In case of any problems, please do not hesitate to contact the reception desk on **04 92 98 70 20**.

# 4. WASTE WATER COLLECTION:

In accordance with current regulations, wastewater must be collected in order to maintain the cleanliness of the harbor water.

The list of service providers approved by the port is available upon request, in accordance with the waste reception and management plan of the Old Port of Cannes.

The « declaration of wastewater management during the event » is mandatory and must be provided during an event.

#### 5. DELIVERIES:

Please note that all deliveries must take place before **10am**. Delivery of fuel or other pollutants prohibited during events.

#### 6. PORT ASSISTANCE:

Any request for port assistance must be made between 8am and 4pm on +33 4 92 98 70 20 in order to allow the efficient planning of all such requests.

#### 7. REMINDER

#### Final invoice and payment:

The payment for electricity and any other charge must be made **BEFORE** the boat leaves the port.

All the team at Cannes Old Port is at your service on +33 4 92 98 70 20 to help with any information you may need to enjoy your stay in our port.

# APPENDIX 5: TO BE KEPT BY APPLICANT

# List of approved service providers for collection of waste from ships – updated 14<sup>th</sup> of September 2022

Attention: This list may change. An updated list is available on request, in accordance with the plan for the collection and management of waste at Cannes port.

# 1. List of approved service providers for the collection of waste from ships at Cannes port:

Household waste	Collected by port services
Household packaging and paper	Collected by port services
Glass	Collected by the council
Non-hazardous industrial waste	Not authorized except in emergencies
Special waste	Not authorized except in emergencies
Wastewater: grey and black	ECOTANK - info@ecotank.fr - +33 6 85 501 835 BLUE MARINE - contact@bluemarinecleaning.com.fr - +33 6 09 52 03 12
Bilge water, sludge	ECOTANK - info@ecotank.fr - +33 6 85 501 835 BLUE MARINE - contact@bluemarinecleaning.com.fr - +33 6 09 52 03 12

# PART 3

# APPENDIX 6: QUAY-SIDE TENTS

# **Specifications**

# 1- MATERIALS:

- White tents.
- Pagoda roof.
- Unique and uniform model.
- Clearance height adjusted to 2m50.
  - Dimensions of the modules must be adaptable to:
    - $\circ$   $\,$  The width of the ships: between 5 and 14m  $\,$
    - The width of the quays:
      - 4m section for the Gare maritime quay
      - 5m section for the Jetee Albert Edouard
- Maximum wind resistance: 100km/h (art. CTS7 arrêté du 23/01/1985 modifié).
- Fire resistance: French class M2 material (art. CTS8 arrêté du 23/01/1985 modifié).

# 2- SPECIAL FEATURES:

# Material:

- The tents must be permanently open on three sides to allow:
  - Free access to the passageway.
  - $\circ$   $\;$  Free circulation for the public on the quay.

# Construction:

- No fastening onto any apparatus, structures, or equipment on the quays (No splitting, drilling or mounting onto the quay).
- Guy ropes fastening the structure to ballasts must be white.
- Stability will be ensured by ballasts or free-standing floor (in the latter case, accessibility to PMR must be in accordance with standards in force) erected in accordance with manufacturers' recommendations, the provider must make the relevant documents available.
- Cubic or rectangular parallelepiped ballasts must be covered with white brushed cotton to guarantee visual aesthetics.
- A commitment to safety and conformity of the tents must be communicated to the Cannes port at the end of the installation of the tents 12 hours, at the latest, before the opening of the event.
- The end of the installation must be one day before the first day of the event, except in exceptional cases: late arrival of the ship, specific request. In this case, the applicant must request permission to intervene to the port authorities.

• A commitment concerning the safety and the conformity of the tent will have to be communicated to the port of Cannes at the end of the installation of the tent at the latest 12 hours before the opening of the event.

The construction of the tent CAN NOT start before the arrival of the boat

• It is forbidden to dismantle the posts delimiting the passage pedestrian pier. In case of loss of the posts, these will be billed to the boat up to 300 € perpost.

# 3- QUALITY & SAFETY:

In accordance with the regulations concerning quality and safety, the contractor agrees to comply with standards and regulations in force, including:

# 3.1 : Capacity:

The installer must prove his ability to carry out the operation (personnel with recognized qualifications), he will submit a record for each type of structure proposed:

- Manufacturer's technical documentation.
- Certification of materials.
- Fire rating report for linings.
- Description of method of construction (ballast, free-standing floor ...).
- Proof of technical checks.
- As well as any information that may be requested by the safety commission.

The installer must provide proof of professional insurance and third-party risk.

# 3.2: The structures proposed:

They must comply with the regulations against the risk of fire and panic in Establishments Open to the Public (French decree of 25/06/1980 modified) and to the particular provisions of the French decree of 23/01/1985 concerning special provisions for tents and portable structures (CTS).

# 3.3 : The structures installed:

The installer must establish and deliver a certificate of correct erection and visual inspection for each structure installed including for structures less than 16m<sup>2</sup>.

A safety plan will be set up, the procedures for delivery, loading, unloading will be formalized. Electrical installations: any electrical installations in the structures must conform to regulations and in particular to the French norm NF C15-100.

As a professional, the installer has a duty to advise and to alert regarding the proper implementation of these facilities.
